PRESIDENT'S MESSAGE

Hello Everyone,

I'm writing this message from Perth, after spending the past 7 weeks crossing the country and enjoying the many attractions on the way. Consequently, I haven't been able to attend any classes this term, but have been actively keeping an eye out and building up a list of birds we've seen on the way. I have added a few new birds to my list, and will look forward to sharing the details with the rest of the birdwatching group on our return home after Easter.

While I've been away Frank Blanchfield, our Vice President has been working with the Committee to prepare for the upcoming AGM. You will have all received the papers recently. I have decided not to nominate for President, due to the fact I'll be away for another couple of months in winter, and am actively involved as a Deputy Captain in the Milton RFS, which I anticipate will be busy come spring. So we will be looking for a new President, and will also have some other vacancies on the Committee this year. I will nominate for a general Committee position and will be able to help new people in their roles. So please consider coming to the AGM and nominating for the Committee if you have not done so already.

I hope you have enjoyed the classes you have undertaken in term 1 and find a course that interested you in term 2. Again thanks to all the tutors who have volunteered their time to lead courses.

If you are thinking you could run a course sometime this year, and I am certain there are people out there with some interesting knowledge and skills, now is the time to take action. Teaching is the best way of learning! Please contact Chris Graham or other committee members to discuss.

Hope to see some of you at the AGM on 19 April and you will have a great term 2.

Best regards
Alister Nairn

NOTICES TO MEMBERS

MEMBERSHIP BADGES

Please wear your 2023 membership badge to classes and functions. It signifies you are a current financial member, which requires to be checked by tutors. Also, it so does help identify you to those around you.

HARRY HIGGS ROOM

The HH room is equipped with a TV [with PC input], 2 DVD players, and computer projection facilities and a screen

We all like to enter the Room and see it in good condition. We ask that at the end of sessions, tables and chairs are put away, boards are cleaned, and general tidying up is completed - including wiping down tables if necessary; also, if the rubbish bin is full or contains decomposables please empty it in the council bins positioned outside the room.

MILTON-ULLADULLA BOWLING CLUB

The Milton-Ulladulla Bowling Club very kindly allows us to use, for no U3A payment, its facilities to conduct a number of our courses there. The Club has rules concerning those who use its premises. Hence, to maintain legitimacy, U3A Members who attend courses held there are respectfully asked to join the Club and to sign-in when on-site.

PUBLICITY

The Committee very much appreciates information given by members for publication on our website. If you have anything that you think may be of interest to other members, please let us know by email or contact the webmaster at the address shown on the first page.

DVD FILMS MISSING FROM OUR LIBRARY

Could any film found please be returned as soon as possible so that it may be enjoyed by other members.

THE 2023 TERM 2 PROGRAMME

This term's programme has been put together on the understanding that local COVID-19 restrictions will not be more severe by the start of term, and that we will be able to use the Harry Higgs room and other venues - perhaps conditionally - from that date. If things change, we will let people know.

NEW COURSE

We have 1 new course this term.

Five French Impressionists Debra Pearson debrapearson13@gmail.com

Her class is limited to 8 members to allow for discussion. Artists to be studied during this term are Edouard Manet, Berthe Morisot, Eva Gonzales, Edgar Degas and Mary Cassatt. By the end of the period participants should be able to:

- Appreciate artists' motivations and what they were representing within an historical and visual context; and
- Understand the impact of Impressionism on successive artists.

Please contact Debra by e-mail to register

CONTINUING COURSES

Cryptic Crosswords: Intermediate 1 John Dallimore 4454 1453

This class follows on from John's Intermediate 2 class, and is aimed at those who still need a bit of guidance before attempting his advanced class. As well having participants work on particular puzzles, he looks at solutions to other offerings, and dissects the clues to reveal the answers

Line Dancing Helen Reeson 0402 089 422

As Helen says, Line Dancing is all about moving to music, having fun with friends, and exercising both mind and body ... it is definitely not about boots, buckles and hoe-downs. Getting started is simple. Routines follow a variety of music and dance styles - including waltzes, rhumbas, and cha-chas. You don't need a partner, and steps can be modified to suit individual needs or restrictions. Sessions run on Mondays from 1200 to 1300 at the Dunn-Lewis Centre, so get along and get going with basic steps and easy dances. Starts Monday 8 May

M-U U3A Book Club 1 Carmen Champion carmenchampion18@gmail.com 0413 489 537

Bookclub1 meets on the third Monday of the month at 1230 upstairs at the Milton-Ulladulla Bowling Club [participants need to be members of the Club]. The bookclub operates with a maximum of 13, and currently has a few vacancies - contact Carmen [preferably via e-mail] to check if there is room

Ikebana - Japanese Flower Arranging Aya Shibata 0432 742 482

Her hands-on course is for beginners and practitioners in the Japanese floral art of Ikebana; she will introduce you to the principles behind the art form, and teach you the skills required to express it. Students will also learn the beauty of Japanese culture and the philosophy behind Ikebana. Note this course is twice monthly on the first and third Mondays, and this term starts on 15 May

French 1 - Beginning Mirella McGrechan 0408 497 021

Mirella is a native French speaker, and has kindly stepped forward to tutor the very essential beginners' course. Stephen's sessions offer a relaxed time to explore the lives and connections of the key Blues' players. He has set up a website identifying artists with links to their music; visit it at <https://www.wholeaustralia.com/blog-2>; password is Blues2023. Stephen would prefer e-mail contact from those who are interested in joining his class which is being held upstairs in the Milton-Ulladulla Bowlo [participants need to be members of the Club]

Chemistry and our Universe Peter Fagan 0432 678 587

Chemistry is the study of matter and energy at the scale of atoms and molecules. Our world is ruled by chemistry ... everything around you is its product. Unfortunately, chemistry has an undeserved reputation for difficulty and abstraction. The beauty of delving into its study is the discovery of how organized, logical, consistent, and powerfully predictive it becomes. This DVD course is ideal for anyone curious about the underlying unity of the material world or interested in such subjects as cooking, painting, metalworking, pottery, auto mechanics, gardening, energy production - these are a few of the countless everyday uses of chemistry. The ideas to which you are exposed in these lectures - and through which you will be guided by Peter, who is a chemist by profession - truly have universal applications. Don't miss them

This term Ted will be showing, inter alia, Enchanted April, The Shipping News, Paths of Glory and High Society

Roger's class has graduated to the intermediate level. Join him to continue your journey into the language

The Western Philosophical Tradition Roy Liegel 0490 110 342

Ukulele from first Strum Craig Silver 0424 750 045

Craig is continuing his beginners' class in Ukulele practices and techniques started last term. For those who were with him then, he has added a 'further strumming' class on Wednesday morning. However, he is conscious that others now wish to start to learn the instrument, and so has continued with this session as a 'beginners/just started' class; enrol now!

French 2 - Beyond Beginning Noelene Hunt 4455 4465

Judy is ready to focus the minds (and hearts) of those who attend this lively discussion group on the implications of everyday events and trends. This course is held upstairs at the Milton-Ulladulla Bowling Club [attendees need to be club members]

Cryptic Crosswords - Advanced John Dallimore 4454 1453

Cryptic Crosswords can be a source of immense satisfaction when you solve them ... and immense frustration when you can't! This course is for those who are already well into them, but would like pointers on how to tackle them more competently, and collectively enjoy solving the more tricky brain teasers

Music Appreciation Fiona Thompson 0478 676 037

Over her six-week course, Fiona will concentrate on a particular theme within the classical tradition. As is her practice, she will send out PDF articles of interest with her playlists [which have public access via Spotify - search for fionathompson11]. Fiona's knowledge is not encyclopaedic, but she enjoys researching and presenting each topic. She also welcomes opinions and input from the assembled listeners! Because Fiona's course is held at her home in Kings Point, attendance numbers are limited - so check with her to establish if there is room

German Pauline McAdam 0428 295 540

Whilst Brigitte Nairn is away, Pauline has kindly offered to take her class which aims to expand your German, to increase your vocabulary and to instil confidence talking about everyday life - and on the way to discover more about the German speaking world. The course has been running for some time now, but it caters for a wide range of language ability ... there is no need to be proficient.

Birdwatching Phil Hendry mubirdclub@gmail.com 0448 445 359

French 4 - Beyond Intermediate Pauline McAdam 0428 295 540

Pauline's class accommodates students who have more than scratched the surface of the language and are ready to explore it in greater detail

Tai Chi Liz Gray 0427 875845

Liz's interest in Tai Chi is not only for the health benefit derived from its practice, but also the learning experience it provides. During her course she will concentrate purely on the physical movements and exercises associated with the traditional Yang Style 24 Form. The Course is held in the Burrill Lake Community Hall

The Secret Life of Words Enid Everingham 0428 542 430

Enid is re-presenting, by popular request, a DVD course given some 5 years ago - The Secret Life of Words - in which our use of language in everyday life is explained and illuminated

Cryptic Crosswords: Intermediate 2 John Dallimore 4454 1453

The Recorder Group is conducted by Vern Flay, who has a wealth of experience coaching musical ensembles. Recorder Choirs have a unique and startlingly sweet sound ... and there is plenty of scope to enjoy the fun of making music with others - even if you have not played the instrument before. If you feel like joining the Group but are a newcomer to the instrument do not despair ... 'phone Vern who will determine the best way for you to get started - including his offering basic tuition before the group assembles for practice. The course is held upstairs in the Milton-Ulladulla Bowling Club, where participants need to be Club members

JOINING AND ATTENDING COURSES

If you want to participate in any of this term's courses, contact the Tutor and reserve your place on it; don't delay, places fill rapidly. Once you have reserved your place, mark your diaries and keep the dates free. If your circumstances change and you find you can no longer attend, let the Tutor know so others may be given the opportunity to take your place.

FOOD FOR THOUGHT ...

Members may note that our course list is returning to pre-COVID-19 pandemic levels. This is good. However, it would be nice to be able to offer fresh subjects as we emerge into near-normality.

If you have ever thought 'I could talk about that' or 'I could show people how to do that', why don't you give tutoring a try? If you feel you could lead a group, Chris Graham (4454 3025; chrisnjoan@hotmail.net.au) would be delighted to hear from you. As food-for-thought, is there a China Painting practitioner or Bookbinder in our community? **Could you run a Choral group? There are eager participants waiting in the wings.**

The more variation we can offer from and to our very experienced and knowledgeable membership the more diverse and fulfilling our local U3A community will be.

... SO DON'T BE SHY!

Tutors are U3A's lifeblood ... so, all you closet experts/enthusiasts - remember your U3A needs you!

NOTICES OF POTENTIAL INTEREST TO MEMBERS

THE MILTON-ULLADULLA MUSIC SOCIETY

Members are reminded about the active Milton-Ulladulla Music Society which aims to put on at least four local concerts a year on Sundays from 2pm in St Martin's Church Hall, Green Street Ulladulla, followed by afternoon tea. The cost of the concerts is \$30, and tickets are available at the door [school children are free when accompanied by a paying adult].

Stop Press. The next concert is on 02 July, and will feature the Sydney Male Choir, iconic stalwart of the Sydney music and arts scene. The Choir is celebrating its 110th anniversary this year, and as one of its birthday celebrations it has chosen Milton Ulladulla Music as the host for a wonderful outpouring of music, laughter and sheer entertainment.

This concert will impress because of the sheer range and versatility of the Choir's repertoire - think Billy Joel, Joe Cocker, John Farnham, Broadway Musicals, Spirituals, Opera and the Classics - there is something for everyone. Best of all you will get to experience what the Choir likes to call 'goosebump territory' - where the cascading harmonies of male voices transport you to a realm of musical joy that only a live performance by these guys can deliver.

In 2022, under a new musical director, the choir was invited to participate in Australia's Got Talent. With a great performance of "You are so beautiful" and a rapturous audience reaction the judges had no choice but to send the choir through to the finals. Performing a Queen medley in the finals, the choir really had the audience rocking in the isles, but sadly it did not progress to the last eight. Shows you can't win 'em all!

THE MILTON-ULLADULLA STRING ORCHESTRA

The MUSO, under the baton of Fiona Thompson, has been established now for a year, and has played two concerts during that time to popular acclaim. It is an inclusive group of players of all ages and proficiencies. Fiona has chosen music to accommodate all levels of ability and the group looks forward to practicing for fun and improvement every second Sunday afternoon at 2pm in the Milton Anglican Church Hall. If members feel they can contribute to the ensemble or want further information, contact Libby Reid on 0411 030 377.

Stop Press. MUSO's next concert is on the 25 June at 2pm at St Mary's Church Milton, when it will present 'Screen Voyages - Music from Film and TV'. Entry is by note donation.

THE MILTON DISTRICT BAND

The 150-year old, 25-strong Milton District Concert Band, conducted by Vern Flay, practices every Thursday evening in the Milton School; it plays out regularly in the community. It comprises brass, reed and percussion instruments, and welcomes newcomers to its ranks - particularly flute, clarinet and saxophone [especially baritone] players. Beginners can be coached before full band practice starts at 7pm. Contact Vern on 4454 5860.
